Dear Jamie,

Thank you so much for sharing your incredible cause with me. Your story is a true inspiration. If only the world had more Jamie Leighs. I am honored that you have asked me to help forward your important work. As you perhaps know, I am currently an ambassador to UNICEF, volunteer work that fills all of my limited free time. I have chosen this outlet to best aid the lesser fortunate youth of the world. I would love to be able to accept your invitation, but would have to sacrifice a longstanding personal commitment to needy children everywhere in order to do so. I sincerely regret that I am unable to be available as a spokesperson for another international cause at this time, but please ask you to keep me current on your ongoing successes. Best of luck!

Sincerely,

Lucy Liu
